Dear Community Partners,

On Saturday January 28<sup>th</sup>, 2023 we will host our **25<sup>th</sup> Annual Kelsey Marie Meekhof Memorial Dinner and Auction** celebrating a quarter century of *inspiration, empowerment and love*. It will be held at The Armory, South Bend. Thanks to Kelsey and her family, great things have happened at Reins. Her legacy is carried forward for many others to enjoy the benefits of ROL's unique programs. In her brief 14 years, she made an impact that most people never do. Her sunny personality affected everyone she touched

We are marking 44 years of service, making a difference for children and adults with disabilities in Northern Indiana. Our programs address many needs of fragile members of our community, and often the services we provide are the key activity to the well-being of persons with exceptional needs and abilities. The plethora of generous individuals and organizations supporting our mission *to improve the quality of life for children and adults with disabilities through equine-assisted therapies* makes us strong and proud. We would be honored to have you join us as a sponsor this year to help us continue with these needed and unique services. The four levels of sponsorships\* are:

- Platinum Sponsor (\$7,000), two tables of ten; display of your sponsorship at the event, opportunity to speak at the event. Includes sponsorship of the Indoor Arena in South Bend as signified on the banner posted in the arena through the year as well as on the perpetual plaque naming sponsors for the event which will be displayed in the Activity Room of South Bend facility.
- Gold Sponsor (\$5,500), includes two tables of ten and the sign posted at the stable through the year.
- Silver Sponsor (\$2,750), includes one table of ten and the display at the stable through the year.
- Bronze Sponsor (\$1,500), one table of ten at the event, display of your sponsorship.

\*Sponsorships will be acknowledged via display of your logo at the event, posts on our website, social media.

This event gives Reins an outlet to talk about the inimitable partnership of a human and a horse, and the benefits one can derive from equine-assisted activities. It also provides our sponsors with a platform to showcase their devotion to our community. The evening is enjoyable and memorable thanks to the dedication and generosity of people for whom the well-being of the organization is so important. We are particularly thankful for Dr. Mark and Carla Meekhof, our Chairpersons, through whom we reach many doctors and other professionals along with Chuck Freeby, who will return as our auctioneer.

Support those most in need as together we unlock new and wonderful abilities, and talents, of all involved in the Reins of Life, through their hard work and a nurturing, respectful and inclusive environment. Our gratitude for your support through so many years simply exceeds what words can express. We hope that you will continue to help us change lives.

Sincerely,

Dorota Janik  
Executive Director
