

Reins of Life is so pleased and excited to show off our newest life-changing program by hosting a Driving Show!

On **Sunday, July 21st, 2024** Reins of Life, a 501c3 non-profit organization, will be hosting our **Third Annual Driving Fun Show** at the Michigan City Barn! This event allows our Therapeutic Carriage Driving program clients to compete alongside local horse owners! How would you like to be a special part of the success!?

Reins of Life is excited to offer students with physical, cognitive, social and/or emotional disabilities the rewards of interaction and control of a horse (or pony) while driving from a carriage seat. *The ROL Mission is to improve the quality of life for children and adults with disabilities through equine-assisted therapy.* Therapeutic Carriage Driving gives clients a riding alternative, opening up the world of horses to those who may be unable to ride due to weight, balance, fatigue, allergies, asthma, fear of heights, the inability to sit astride, or for other precautions. It can also provide the student with a unique movement experience. Therapeutic Carriage Driving is about imparting knowledge of safety, horses, harnessing, and driving skills to children and adults of all abilities using teamwork.

Reins of Life drivers experience a special bond with their horses and volunteers that makes new friendships blossom with every stride. Because of this our Therapeutic Carriage Driving program is now **the largest in the country** and continues to grow!

We hope you will join us in celebrating our Reins of Life family and the community members who come compete and showcase all levels of skill! You too can play a role in their success by being a 2024 sponsor!

Name/Business (As it should appear) _____

Phone _____

Address _____

City/State/Zip _____
